We invented the first drink mixer over 100 years ago, and we're still going strong today with our wide selection of world-class mixing machines. From timeless drink mixers to heavy-duty mixing machines, you'll get all the mixing control and power you need, whether you're preparing creamy milk shakes with hard ice cream or soft-serve creations with candy mix-ins.

Mix 'n Chill®

Heavy-duty mixing

Dependability – Ice cream companies and restaurateurs worldwide consider Mix 'n Chill to be the ideal choice because of its dependable performance.

Variable Speed – Rotary dial for flexibility and for ease of use.

Powerful Mixing Performance – 3/4 Hp motor provides heavy-duty mixing action.

Heavy-Duty Metal Enclosure – Meets commercial demands and provides durability.

Easy Cleanup – Stainless steel pan removes easily without the use of tools and is dishwasher safe. Splash shield easily removes for cleaning.

Optional Foot Pedal – For 120V only.

Easy One-Hand Activation – To start the motor, simply place the filled cup under the mixing shaft and push.

Pre-programmed Cycles – Deliver consistent mixing results regardless of the operator.

Contoured Splash Shield – Reduces discomfort on the operator's wrist.

Powerful Mixing Performance – 3/4 Hp motor provides heavy-duty mixing action.

Heavy-Duty Metal Enclosure – Meets commercial demands and provides durability.

Easy Cleanup – Stainless steel pan removes easily without the use of tools and is dishwasher safe. Splash shield easily removes for cleaning.

* 230V version (not shown) meets IPX3 moisture protection with added hood
