## General Features

The Stella Epic, UNIC's flagship model, combines iconic 50s-inspired design with advanced digital technology, crafted for barista who seek to master coffee flavors. Ideal for high-traffic cafes, its multi-boiler system and Thermalink technology ensure precise temperature control and energy efficiency.

Key features like up to 5 recordable infusion profiles per group, Cool Touch steam wands, and the Easylock portafilter system enhance consistency and convenience for busy baristas. With the Stella Epic, elevate your coffee experience and impress customers with a blend of style, precision, and performance.
